DOHENY EYE INSTITUTE

WHAT'S NEW & HOT IN NEURO-OPHTHALMOLOGY

Saturday, April 10, 2010

DIRECTOR: Peter Quiros, MD

FACULTY:

Lynn Gordon, MD, PhD
UCLA

Carlos Filipe Chicani, MD
Federal University of Brazil, São Paulo

Laura Bonelli, MD
UCLA

Courtney Francis, MD
USC

Alfredo Sadun, MD, PhD
USC

Peter Quiros, MD
USC

TIME: 9:00 am to 12:00 pm
8:30 am Registration /Light breakfast

LOCATION: Doheny Eye Institute
3rd Floor Conference Area

OBJECTIVES: Upon completion of this course, participants will be able to:

1. List the important management decisions as it relates to neuro-ophthalmology.
2. Recognize what is new in the treatment of idiopathic intracranial hypertension.
3. Describe the conditions that must be considered in the differential diagnosis of patients with optic atrophy.
4. Expand your knowledge about nonarteritic anterior ischemic optic neuropathy.

The presentational method for this activity will be didactic, case presentations, with audience participation and will be evaluated by each participant at the conclusion of the meeting. The activity content is geared toward the general ophthalmologist, but will be of interest to other ophthalmic subspecialties.

Doheny Eye Institute is accredited by the Institute for Medical Quality and the CMA to provide continuing medical education for physicians. Doheny Eye Institute takes responsibility for the content, quality and scientific integrity of this CME activity.

Doheny Eye Institute designates this educational activity for a maximum of 3 hours *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Registration fee is \$50 (fee is waived for USC Residents, Fellows, and Medical Students)

Please pre-register by emailing Wilma at WMcconnell@Doheny.org

Commercial support is provided by Alcon and Allergan

Any participant who requires special accommodations should contact Wilma McConnell
