Thomas Lee, MD  
Mark Borchert, MD  
Jonathan Song, MD

A. Linn Murphree, MD  
Kristina Tarczy-Hornoch, MD, DPhil  
Angela N. Buffenn, MD, MPH

**TIME:**

**9:00 am to 12:00 pm**  
**8:30 am Registration /Light breakfast**

**LOCATION:**

**Doheny Eye Institute**  
**3rd Floor Conference Room**

**OBJECTIVES:**

**Upon completion of this course, participants will be able to:**

1. Identify misconceptions in our understanding about the development of refractive error in children.
2. Interpret visual acuity information from pre-school and pre-verbal children.
3. Recognize opportunities for unique surgical approaches to pediatric eye diseases.

The presentational method for this activity will be didactic, case presentations, with audience participation and will be evaluated by each participant at the conclusion of the meeting. The activity content is geared toward the general ophthalmologist, but will be of interest to other ophthalmic subspecialties.

Doheny Eye Institute is accredited by the Institute for Medical Quality and the CMA to provide continuing medical education for physicians. Doheny Eye Institute takes responsibility for the content, quality and scientific integrity of this CME activity.

Doheny Eye Institute designates this educational activity for a maximum of 3 hours *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Registration fee is \$50 (fee is waived for USC Residents, Fellows, and Medical Students)

**Please pre-register by emailing Wilma at [WMcconnell@Doheny.org](mailto:WMcconnell@Doheny.org)**

Commercial support is provided by Alcon.

Any participant who requires special accommodations should contact Wilma McConnell at least 2 weeks in advance of meeting.
